

How can I become an American Legion Rider?

Visit the “chapter locator” at americanlegionriders.net and find a chapter near your home (or get information about how to start a new chapter at your own American Legion post). In all cases, the prospective Rider **must first** be a current member, in good standing, in one of the three organizations of The American Legion Family: The American Legion, The American Legion Auxiliary, or The Sons of The American Legion.

The American Legion Riders have also adopted the following basic eligibility rules for membership:

1. All members of the American Legion Riders must hold individual membership in The American Legion, The American Legion Auxiliary, or the Sons of The American Legion.
2. Members must be the legally registered owner of a motorcycle or be the spouse of the legally registered owner within the state of registration.
3. All operators must be properly licensed and insured per state laws
4. All members will obey the motor vehicle laws in any state in which they are operating a motorcycle or riding as a passenger.
