**AMERICAN LEGION  
Guyer-Carignan Post 22  
189 Mechanic Street  
Lebanon, New Hampshire 03766**

Greetings Legionnaires,

July 2010

The officers and I are excited about the upcoming year and are honored to serve our Post. I am proud to announce Bob Pushee as the Post Chaplain and Wendall McMillan as the Post Historian. Both legionnaires have "stepped up to the plate" to fill 2 much needed positions. Thank You Bob and Wendall.

Great news! After meetings with the chief of the N.H. Liquor Enforcement Bureau, the case involving our Superbowl raffles was not processed and the funds with the evidence were returned to us for distribution to the charities and prize winners. We were able to present documentation showing we were: 1. licensed to conduct raffles at our location. 2. A charitable organization may conduct a raffle to promote the purpose for which it was organized, 3. No one received salary compensation from these raffles, and 4. The raffles were conducted by "randomly" drawn chances. We thank everyone for their patience as we worked with Chief Edwards to resolve this.

Convention Results:

1. Congratulations Department Commander Frank Anderson.
2. Legion Riders Resolution has passed and is now recognized by National, State, and Post Level.
3. Post 22 won 2 awards for Americanism and 1st place for the Best Web Site

One of our members and past bartender, Mark Lacroix who teaches in Midland Texas was recently named the VFW State Teacher of the Year. Each day at his school, an American Flag is flown in memory of a military member. It's called the Flag of Honor program. Mark would Like Post 22 members to fill our one of his applications (at the Post) so he can read their name under the Flag of Honor.

The City of Lebanon has 4 Purple Heart Road Signs in need of recipients. Paperwork is required. Contact the Post and leave your name and number.

#### FROM THE ADJUTANT'S CORNER

*By now most of you have started receiving your mailings from National notifying you of your 2011 dues. National keeps sending out notices each quarter, and if you've already paid your dues earlier, disregard the notice as they are 3 or 4 months behind. It would truly be wonderful if everyone got their dues in before the end of December. It's been quite a while since Lebanon has received the Gold Star for membership. Please try to get them in early and if by October, "Early Bird" dinners and refreshments await you. Carry an extra membership application in your wallet, you'd be surprised how many people out there are VETERANS. Tell them what this Post has to offer. In addition to all the civic and social activities such*

*as parades we have an Honor Guard for military services for our departed veterans" we have dinner-dances, pool, shuffleboard, golf, horseshoes and we entertain with shows at the Post and the Tilton Veteran's Home. Tell them to drop in, look us over, meet some of our members and enjoy their favorite beverage. Thank you for your loyalty and service. God Bless!*
